25th Annual Fort Wayne Canoe & Kayak Races

SATURDAY, June 20, 2009

You are invited to participate in the 2009 Fort Wayne Canoe & Kayak Races. All races

start and finish at the Shoaff Park Boat Ramp, 6401 St Joe Road, Fort Wayne, IN 46835. The Citizens Races are 40 to 50 minutes, and run a 5 mile, 2 loop course down stream to the St. Joe Center Road bridge, then back up stream to the boat ramp.

All USCA Classes run an 11 mile course traveling down stream to the St. Joe Center Road bridge, then up stream past the boat ramp to the Mayhew Road bridge, then turn and travel back down stream to finish at Shoaff Park. Last year's times ranged from 1-1/2 to 2 hours.

The St. Joe River is deep in this area and will give you and your partner a good chance to test yourself against the best of the Midwest racers.

NOTE: Indiana is the same time as Ohio and Michigan and one hour ahead of Illinois.

All U.S.C.A. rules & regulations will govern.
